Christina is currently the CEO and Founder of TeamCC LLC Management Consulting business. She is also the Chief Operating Officer with 4 Jax Global Inc.

Previously Christina was the Head of Sales and Relationship Management at Mocafi for the past 2.5 years. Prior to that role she was a Vice President & Senior Treasury Management National Payments Leader with the U.S. Bank Federal Public Sector Banking Division for 3 years. In her previous leadership roles she provided strategic digital and innovative banking solutions & insights to the Federal Government & Public Sector clients in the Global Treasury Management Line of Business. During her corporate banking tenure, she has held several Senior Officer roles with four (4) of the largest US Commercial Banks: JP Morgan Chase, Wells Fargo Bank, Bank of America and US Bank respectively. She had led successful sales and operations teams through projects to save the organization time and money with efficiency and process improvement resulting in 30% increase in ROI. She has helped clients grow their businesses successfully. She is an industry veteran and thought leader in financial services.

The most recent notable accomplishment is that Christina got the opportunity to ring the closing bell at the NYSE- New York Stock Exchange on June 9th 2023. In addition Christina had the opportunity to spend the day with the HM Trade Commissioner for North America, as

part of the UK British Consulate at the United Nations Residences, NYC for a luncheon with Fintech Companies and StartUps raising capital Series A and B stages.

Christina has over twenty (20) years of Financial Services relationship management & treasury management sales execution, and technology expertise in managing large corporate companies, deals and transactions that have generated billions of dollars for the banks and companies she has worked with. Christina is an alumnus from the University of Phoenix with an MBA in Finance and Global Management. She has a BA Delaware State University and she also holds PMP Certification & E-Commerce certification from NJIT- New Jersey Institute of Technology.

Christina currently serves on a few boards in the DC area. She is also affiliated with the NAPW-National Association of Professional Women. She resides Between NJ & MD with her husband and three bonus daughters.
