Transcript Guide

Accreditation

Walden University is accredited by The Higher Learning Commission, 230 South LaSalle St., Suite 7-500, Chicago, Illinois 60604-1411, (312) 263-0456.

Release of Information

This educational record is subject to the Family Educational Rights and Privacy Act (FERPA) of 1974. It is furnished for official use only and may not be released to or accessed by outside agencies or third parties without the written consent of the student concerned. Students may obtain copies of their academic records through the Office of the Registrar by written request only. All financial obligations to the Walden University must be fulfilled before an official transcript can be issued.

University Grading System

All grades on the Walden University transcript are on a 4.0 grading system. Satisfactory/Unsatisfactory grades may be limited to the following courses/seminars: Non-Credit, Foundations, Research Sequence, Writing Intensive, Practicum and Internship, Research Forum, Residency, Thesis, Dissertation, and Doctoral study.

Graduate students must earn the equivalent of a “B” or better to be awarded a grade of “S”. Undergraduate students must earn the equivalent of a “C” or better to be awarded a grade of “S”.

Through August 1996, the Ph.D. Program in Professional Psychology utilized grades of “S”, “RC”, and “NC” for all courses. After this date, the program adopted the 4.00 letter grade scale outlined below.

Residencies are required components of some graduate programs. Prior to Fall 2013, Residencies appear as earned hours with one day of Residency reflecting one earned credit. In Fall 2013, the Residencies reflect zero credits.

Calendar

In September 1995, Walden University began offering coursework in semester credits and quarter hour formats. Prior to September 1995, all coursework was offered in quarter hours. The University calendar offers 4 quarters of study (Fall, Winter, Spring, and Summer) and 3 semesters of study (Fall, Spring, and Summer). *Courses extend beyond the standard term.

Program GPA

As of June 5, 2009, Walden University began calculating a program GPA for all current students. All courses completed during a student’s program apply toward the program GPA. All courses taken in that program apply toward the student’s university program GPA. Prior to June 5, 2009, the GPA comprised all courses taken at the student degree level.

Accelerate into Master’s

Accelerated undergraduates courses containing Master’s Level content satisfies Bachelor’s degree requirements and with a “B” or better can be applied to a Master’s program. A grade of a C* can only apply toward a Bachelor’s degree.

Course Repeats

An “E” notation next to a course indicates this course has been repeated and is excluded from the GPA calculations. An “I” notation next to a course indicates this course has been repeated and is included in the GPA calculations.

Bachelors Renewal Policy

Academic Renewal allows all the courses (including passing grades) for up to two consecutive terms, to be removed from the GPA calculation. The courses are not removed from the academic record; the transcript will reflect the actual courses and grades. Only the GPA will be adjusted.

Transcripts from Walden University

Walden University maintains multiple student record systems. Transcripts for student records crossing multiple systems may appear in different formats.

National Technological University

National Technological University (NTU) merged with Walden University in January 2005.

Cross-Enrollment Consortium

Effective Winter 2013, Walden University is part of a cross-enrollment consortium between other colleges and universities. Courses taken at a consortium institution are designated with a campus code on the transcript.
