RECOMMENDED RECOGNITION based on structural comparison, excluding analysis of syllabi or assessment of learning outcomes:

Qualification(s) described above	Closest comparable South African qualification / qualification type	NQF Level
(1)	Diploma: Education	5
Proviso(s)/Comment(s)	This evaluation reflects the training of the candidate. It is not binding on the Department of Education responsible for the employment of teachers and their salary categorisation and does not per se bestow on the candidate the right to teach in a public school in South Africa.	
(2)	National Diploma: Engineering: Electrical (A National Diploma in the specific field is not registered on the NQF)	6
Proviso(s)/comment(s)	Professional status is subject to registration with the Engineering Council of South Africa (ECSA), which is not in any way bound by an evaluation done by SAQA.	

The issue of this Certificate of Evaluation does not necessarily confirm the authenticity of qualification documents. Although steps are taken to verify authenticity when documents are obviously suspect, recipients of this certificate are advised to insist on original qualification documents and to have the authenticity of these verified by awarding bodies. Contact details can normally be provided by the SAQA.
