Note

1. Provisional results as at **15 February 2021**
2. The provisional statement of results is provided prior to SETA verification of a submitted portfolio of evidence (PoE).
3. If a PoE is included in the performance breakdown, the grade will be reflected after the SETA verification and shown as, Competent (**C**), Not yet competent (**NYC**) or PoE not submitted (**NS**).
4. If you do not submit a PoE for verification, the SAQA National Certificate will not be conferred to you.
5. An analysis of results reflecting a pass for the FTI component of the qualification does not constitute a recognised and accredited National Qualification without a verification outcome of competent (**C**) - for the PoE submission
6. If a delegate has queries or needs clarification, please contact the Course Manager at FTI.
7. **The SETA verification process takes eight to twelve months from the date of the PoE submission to the SETA.**
