

- I'm starting the bidding for a Gig, and below is the Gig Description. Is the "Message" button working already? I've pressed the button but nothing happened.

The screenshot shows a gig description page on the GigExecs platform. At the top, there's a search bar and a user profile for Darwin Nunez. Below the search bar are navigation links for Dashboard, Find Gigs, My gigs, Reports, Help & Support, and a question mark icon. The main content area displays a gig description with a budget of \$10,000.00 and a duration of 1-3 months. It also lists several required skills: Ability to develop and execute digital PR strategies, Ability to think strategically, Excellent written and verbal communication skills, Ability to manage and analyze financial data, and 3D modeling and animation: Maya, Blender, and more. A red box highlights the 'Message' button, which is located at the bottom of the gig details section. To the right of the 'Message' button is a 'Bid for gig' button.

- When arriving at the screening questions screen, it's not scrolled to the top

The screenshot shows the screening questions screen on the GigExecs platform. At the top, there's a search bar and a user profile for Darwin Nunez. Below the search bar are navigation links for Dashboard, Find Gigs, My gigs, Reports, Help & Support, and a question mark icon. The main content area features a large circular image of a person holding a smartphone over a newspaper. Below the image are three buttons: 'Save and Exit', 'Back', and 'Continue'. A red box highlights the 'Save and Exit' button. To the right of the buttons is a sidebar with categories like Banking & Financial Services, Artificial Intelligence (AI), Architecture, Legal, Accounting, Engineering, and (and many more). Further down the page are sections for About (Investor Relations, About us, Legal Information, Data Protection) and Help & Support (How it works, FAQs, Title, Data Protection). At the bottom, there are social media links for Facebook, Twitter, and Instagram.

3. I've already completed quite a few screens with information, and on this screen below, if I press ENTER button, all data will disappear and I will be taken to Home Page and have to start all over again, the system doesn't even save draft

Cost and timeline proposal

What is the maximum number of hours you are able to commit on a weekly basis?

20-30 hours

Currency      Amount

USA      \$10,000.00

Match clients budget of \$10,000.00

Duration

1 - 3 months

Match clients timeline of 1 - 3 months

Estimated total cost

This is the estimated cost to client based on the timeline and rate you provided. Please note that this calculation is based on the assumption that a week consists of 40hrs.

Amount

\$3,857,142.86

5. But if I use the “Match the Clients Budget” option, than the amount at the bottom is correct.

The screenshot shows the GigExecs platform's proposal creation interface. On the left, there's a sidebar with progress bars for various steps: Not started, Proposal (100% Completed), Screening Questions (100% Completed), Questions for Client (100% Completed), and Cost and Timeline (100% Completed). The main area asks for maximum weekly hours (20-30 hours) and currency (USD). It features a 'Match clients budget of \$10,000.00' button. Below this, it asks for duration (1-3 months) and another 'Match clients timeline of 1-3 months' button. At the bottom, it displays an 'Estimated total cost' section with an 'Amount' field containing '\$10,000.00'. Two red boxes highlight the '\$10,000.00' entry in both the budget field and the estimated cost field.

6. Just before submitting the bid, if I press ENTER on Other Terms without completing any information, the system will take me to the homepage and all the info will be lost without being saved

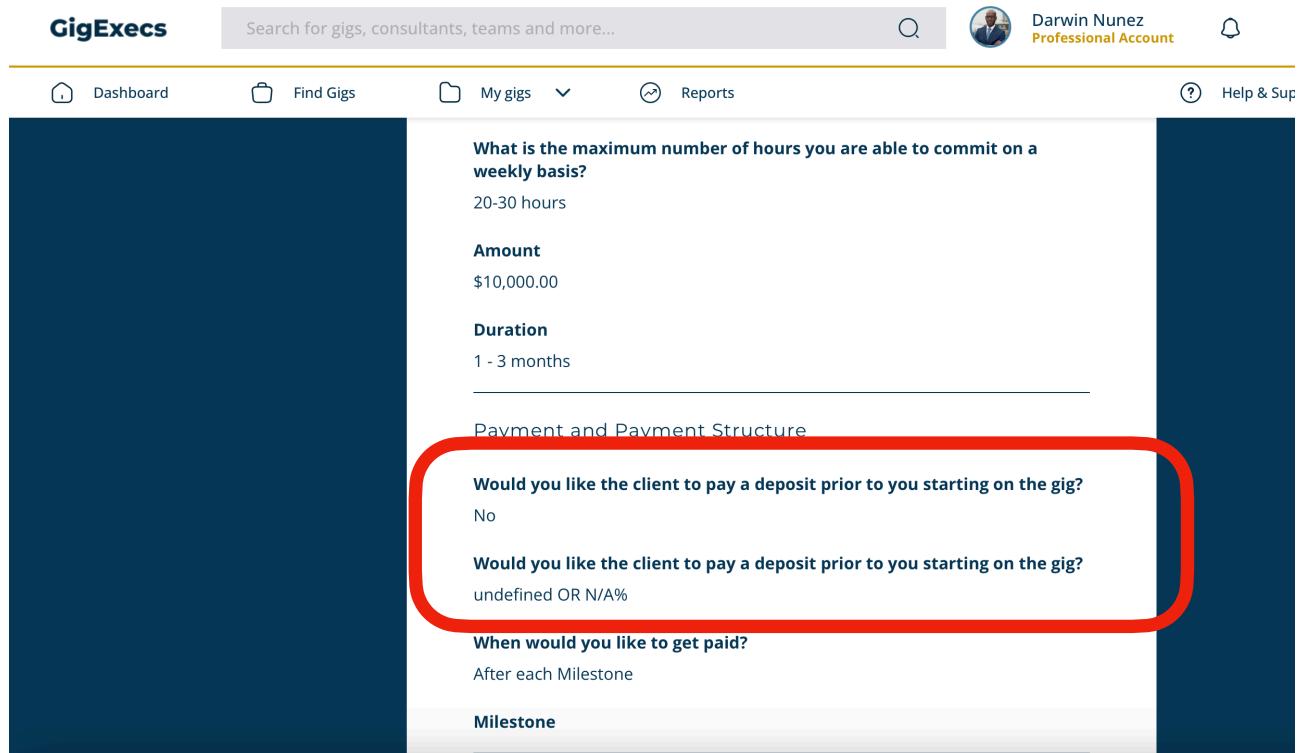

The screenshot shows the 'Other Terms' step in the proposal creation process. The sidebar shows this step is 'Not started'. The main form is titled 'Other Terms (Optional)' and contains a note: 'Specify if you have any other requirements or terms that are not covered by the fields above.' It has a text input field labeled 'Type here...' and a '+ Add Term' button. At the bottom, there are 'Save and Exit' and 'Continue' buttons. A red box highlights the 'Save and Exit' button, suggesting that pressing Enter will save the work and exit the step.

7. There's a duplicate field in the Bidding Summary just before Submit

The screenshot shows the GigExecs platform interface. At the top, there is a navigation bar with links for Dashboard, Find Gigs, My gigs, Reports, Help & Sup, and a user profile for Darwin Nunez. Below the navigation is a search bar. The main content area displays a bidding summary form. A red box highlights a section containing two identical questions:

**What is the maximum number of hours you are able to commit on a weekly basis?**  
20-30 hours

**Amount**  
\$10,000.00

**Duration**  
1 - 3 months

**Payment and Payment Structure**

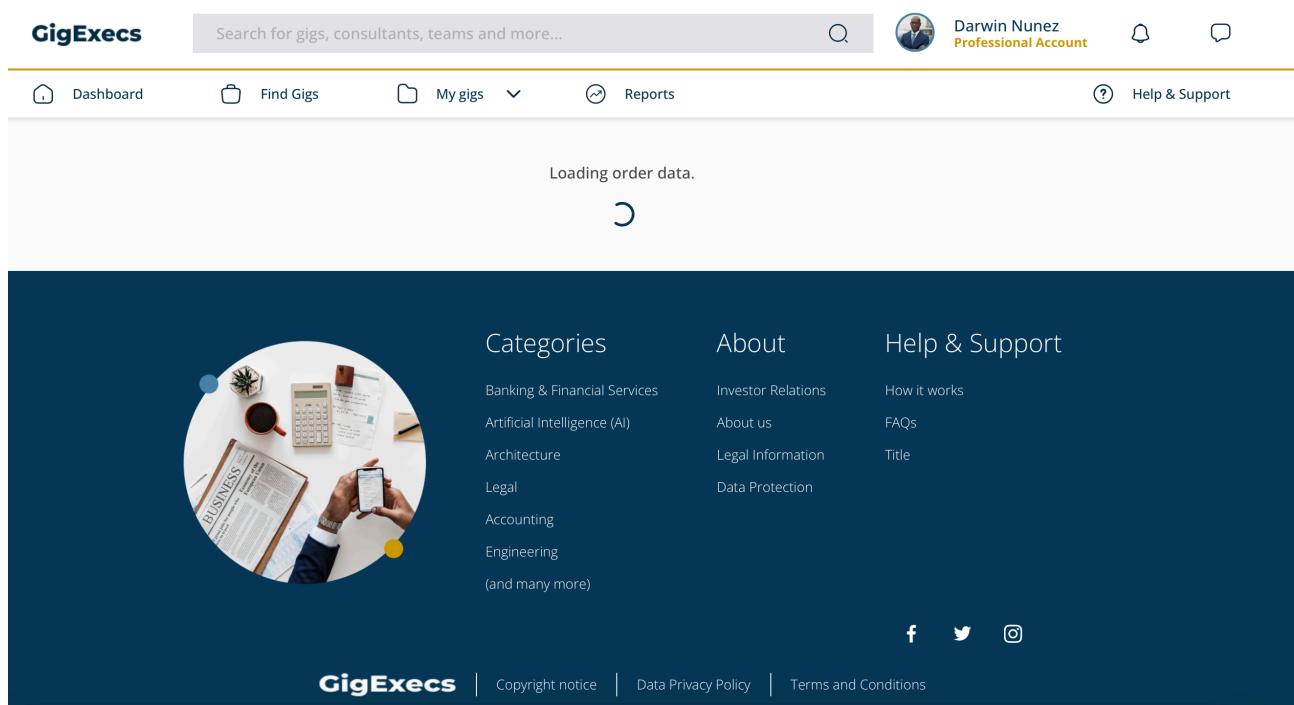

**Would you like the client to pay a deposit prior to you starting on the gig?**  
No

**Would you like the client to pay a deposit prior to you starting on the gig?**  
undefined OR N/A%

**When would you like to get paid?**  
After each Milestone

**Milestone**

8. After pressing SUBMIT my screen gets frozen as below

The screenshot shows the GigExecs website. At the top, there is a navigation bar with links for Dashboard, Find Gigs, My gigs, Reports, Help & Support, and a user profile for Darwin Nunez. Below the navigation is a search bar. The main content area displays a circular image of a person working at a desk with a calculator and papers. Above the image, the text "Loading order data." is displayed, along with a loading icon. To the right of the image, there are three columns of links:

**Categories**

- Banking & Financial Services
- Artificial Intelligence (AI)
- Architecture
- Legal
- Accounting
- Engineering
- (and many more)

**About**

- Investor Relations
- About us
- Legal Information
- Data Protection

**Help & Support**

- How it works
- FAQs
- Title

At the bottom, there are social media icons for Facebook, Twitter, and Instagram, and a footer with links for Copyright notice, Data Privacy Policy, and Terms and Conditions.

9. On the ONBOARDING both of Clients and Professionals, after the profile has been submitted and vetted by ME, as well as payment details confirmed, the system still displays the info “Not Verified” . What is the logic for this to change to VERIFIED? (Is it after I change the word Vetted in the console?)

Ranya Labib

Not Verified

✉ Dubai, United Arab Emirates

10. The Payment Methods option is not working, if I press it, nothing happens and the system freezes.

The screenshot shows the GigExecs software interface. At the top, there is a navigation bar with links for Dashboard, Find Professionals & Gigs, My gigs, Reports, Help & Support, Your gigs, Profile settings, and Account settings. A search bar is also present. On the right side, a user profile for "Ranya Labib Client Account" is displayed, showing a circular profile picture and the location "✉ Dubai, United Arab Emirates". Below the profile, there are sections for Contact details, Password, Payout details, and Payment methods. The "Payment methods" section is highlighted with a red oval. To the left, there is a sidebar with links for Contact details, Password, Payout details, and Delete account. The main content area shows "Contact details" with fields for "Your email address" (containing "nuno.g.rodrigues01+test21@gmail.com") and "Phone number" (with a placeholder "Enter your phone number"). A message "Your email address is verified." is displayed next to the email field.
